Starting price Rs 100

### Bhubaneswar Biryani House

Biryani is Bhubaneswar Biryani House, we believe a great meal is more than just food, it's a journey through time and tradition. Our story begins with a passion for recreating the authentic, slow-cooked biryani that has enchanted palates for centuries. We don't rush the process, we honor it. Each batch is prepared with the utmost care, following time-honored recipes that have been passed down through generations. We source the finest, long-grain basmati rice, known for its fragrance and delicate texture. This is layered with our meticulously marinated meat—succulent chicken or tender mutton—and a secret blend of hand-ground spices that burst with aromatic flavor. The secret to our success lies in the traditional "dum" cooking method, where the biryani is sealed in a pot and slow-cooked over a gentle flame. This process allows the flavors to meld together perfectly, infusing every grain of rice and every piece of meat with a depth of flavor that is truly unparalleled. When you break the seal on one of our biryani, you're not just opening a dish; you're uncovering a rich, historical culinary masterpiece. Experience the heritage, the aroma, and the unforgettable taste that has been celebrated by royalty and connoisseurs alike.

Subject Details :-

- Subject Code : CA2009
- Subject Name : Internet & Web Technology
- Credit : 4
- Grading Pattern : -
- Course Outcomes (CO):
  - To analyze a web page and identify its elements and attributes.
  - Create web pages using XHTML and Cascading Style Sheets.
  - Build dynamic web pages using JavaScript (Client side programming).
  - Create XML documents and schemas.

Course Description :-

(Q4)

## This is an example of Inline CSS

This paragraph is styled using Internal CSS.

This paragraph is styled using External CSS.

(Q5, Q6, Q7)

## This is an element selector

This is a class selector

This is an id selector

## OUTPUT

(Q8)

### Internal CSS

This is a simple webpage designed with Internal CSS. The style is defined inside the head section.

(Q9)

### External CSS

This webpage is styled using an External CSS file named style.css.

Siksha 'O' Anusandhan (SOA), formerly Siksha 'O' Anusandhan University (SOA University), is a private deemed

university located at Bhubaneswar, Odisha, India. The university is composed of nine degree-granting schools and colleges and has a student body of around 15,000. Many of SOA's programs are nationally accredited, including engineering, medicine, pharmacy, business, nursing, biotechnology, science, humanities, environment, nano technology, materials science, agriculture and law.

It was founded as Institute of Technical Education and Research (ITER) in 1996 at Bhubaneswar and it received AICTE approval for B.Tech. Since its inception it was affiliated to Utkal University. Subsequently, it was affiliated to Biju Patnaik University of Technology (BPUT) between 2002 and 2007. Rechristening to Siksha 'O' Anusandhan as a Deemed to be University by the UGC in 2007. The Institute of Technical Education and Research (ITER), became a constituent institute of Siksha 'O' Anusandhan University. SOA has been granted Category-II Graded Autonomy Status by University Grants Commission in 2018.

Siksha 'O' Anusandhan (SOA), located in the city of Bhubaneswar, Odisha, India is presently one amongst the leading higher education institutions in the country. It is a Deemed to be University declared under Section 3 of the University Grants Commission Act, 1956, India.
